However, you can build a double weapon with each head made of a different special material. Scale Mail Dnd 5eFrom D&D WikiMithral is inherently magical, which is why this is listed under magic items. According to the table there, uncommon magic items are valued at 101gp - 500gp, but that doesn't mean your players can just go to the store and buy a set of mithral plate for 500gp. It is an uncommon magic item Magic Item Rarity 'Each magic item has a rarity: common, uncommon, rare, very rare, or legendary. You must login to have a valid session before. Adamantine Armor Scale Mail Uncommon Dmg 1500Adamantine Armor Scale Mail Uncommon Dmg 150 1Scale Mail DndAdamantine does not seem to be inherently a magical metal, just uncommon. However, there does not seem to be a specific value attached to the armor for that rarity. You can find the DMGs or XIPs for Xcode and other development tools on Sign In - Apple (requires Apple ID to login). If you make a suit of armor or weapon out of more than one special material, you get the benefit of only the most prevalent material.

When it comes to value for sale, the DMG (pg 135) puts Uncommon items at 101-500 gp. Weapons, armor and some other items can sometimes be crafted using materials that possess innate special properties.
